

ScreenTower 125

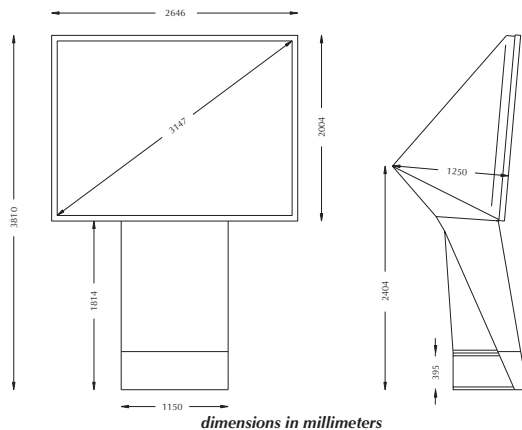

Mobile rear-projectionsystem for LCD- and DLP-projectors for the simple up- and dismantling.

The original ScreenTower model unites brilliant image quality, simple use and elegant design for a multimedia piece of art.

With screen diagonals of 72 inches to 125 inches the product is a great alternative to complex rear-projection systems and expensive LED applications.

dimensions in millimeters

- screendiagonal: 3,15 m
- dimensions (h_xw_xd): 3,41 x 2,65 x 1,38 m
- heightening pedestal: + 0,40 m
